**Total Meets Reviewed**

**91**

We have continued to pay close attention to the time lines for the meets and we review and set the individual swim / relay meet fees so that the host team may achieve a reasonable, consistent profit for their respective meet. Steve Hennessy has done a superb job making sure that each meet invitation conforms to the appropriate template for that meet.

The VSI Admin Chairperson and the VSI Technical Planning Chairperson have worked closely with the Potomac Valley Administrative and Technical Planning Chairs to ensure that the process for obtaining sanctions for PVS hosted meets in Virginia LSC (VSI) jurisdictions is followed correctly.

Respectfully submitted,
