

Age Group Chair Report

April 25, 2008

1. SC Age Group Champs - The meet went well. Some tweaks to relay check-in will need to be made before summer meet. Age Group Committee will debate the merits of awarding the 10&Under medals between events. Age Group Committee will also discuss whether the 10 & Unders should have their own session or continue with this year's format.
2. LC Age Group Champs - Will be held at Midtown hosted by CGBD. Reminder that due to diving restrictions there will not be the ability to run the 200 Relays.
3. SC Zones - Women 2nd, Men 3rd, Overall 3rd Very successful meet. From the results it looks as though VSI is closing in on some of the other LSC's for the SC title.
4. LC Zones - Casey has begun the planning and I will be coordinating with her on getting the swimmers signed up.
5. Summer Awards - Age Group Committee will be discussing the format of the meet. If a consensus cannot be reached on Sunday, we will proceed with last year's format and make it the number 1 agenda item for the fall meeting.
6. Small/Medium/Large Team Awards - This was the 1st year for these awards and the Age Group Committee will discuss the impact.
7. Awards for Summer Meets - I will place the order with Hasty for the awards next week, after the format of Summer Awards is determined.
8. LC Time Standards - These will be passed by the Age Group Committee on Sunday.

No action items at this time.

Respectfully Submitted,

Brian Kupferer
Age Group Chair
