

Camps Coordinator Report – 7 January 2006

1. The winning spirit camp was held in Fredericksburg on December 9th. Twenty two swimmers and six coaches attended. The kids had a very good time and would like us to conduct more camps. The swimmers and coaches evaluations were sent to USA swimming, photos are up on the Web site for all to see. My hope is for parents to see that a camp was held and question why one isn't being held in their region?
2. We will be running a additional camp in April for 13-16year olds. If anyone wants to host a camp please send me an E-mail.
3. USA Swimming has reinstated the OUTREACH Camps; the first camp is scheduled to be held at OTC in April. More information will be sent out soon. The camp is open to any Minority that is registered with USA Swimming and has AAA times.
4. I will attend a Outreach task force meet in San Antonio in February (9-11).
5. There have been more than 105 applications for the diversity coordinators position with USA Swimming.
