Seasonal Club	1	same

There was an increase in all registrations, with the exception of the Seasonal Clubs. A new club, Valley Swim Team-Phoenix, has joined from the Winchester area. They had been a satellite of a Potomac Valley Team. There is also a possibility of a club rejoining after several years. This is the Wolf Pack Team in the western part of Virginia. And, a Y in the Richmond area has indicated an interest in becoming a club.

I attended the 2005 USAS Convention in Greensboro, NC. There were 2 workshops and a question and answer session for Registration and interested parties. SWIMS, which is the registration program has been upgraded and is much easier to work, with many enhancements. I was also awarded a Life Membership in USA Swimming by Virginia Swimming and want to extend my thanks to all.
