

Registration Report September 9, 2008

Registration final count

| | | |
|--------------|------|-----|
| Athletes | 5734 | +17 |
| Non Athletes | 823 | -60 |
| Seasonal | 116 | -68 |
| Clubs | 52 | - |

The final count for athletes may change before December with transfers in and out. Seasonal was down because a summer league club that usually joins did not do so this year. The athlete count is down as a Virginia team, PATS, transferred to PV with all their swimmers. I don't have a count but would guess at about 150-200 new swimmers registered with VA transferred to PV.

The breakdown of non-athletes is 92 others, 275 coaches and 456 officials. There was a decrease in coach membership by 26 and a decrease in officials by 81.

All 2009 information has been sent to the clubs. We have had 2 name changes and 1 merger so far.

Banquet invitations have been mailed and reservations are due by September 20.
