

Current Bylaws:

604.1.4 COACH REPRESENTATIVES - One Coach Representative and an alternate shall be elected, in odd numbered years for a two-year term, or until their respective successors are elected. The election of the Coach Representative and alternate shall be conducted . . .

Proposed Change:

604.1.4 COACH REPRESENTATIVES - One Coach Representative shall be elected each year for a two-year term. (Terms of office will be staggered.) The election of the Coach Representative shall be conducted . . .

Rationale for Change: The proposal is to elect two coaches, each for a two-year term, staggered so that one coach is elected each year. The two differences between the current system and the proposal are that the election of the coach and alternate would be in different years and that the alternate would not be simply an alternate. This will follow the same pattern that the athlete representatives follow. It is intended to provide continuity and allow the representative to gain experience in his/her responsibilities during the first year of tenure.
