<b>ELIGIBILITY</b>	<p>Competition is restricted to swimmers registered with one of the 12 LSCs in the Eastern Zone. Each swimmer must be a 2012 USA Swimming registered athlete in the LSC which he/she represents. On-site registration will not be accepted at this meet. Each swimmer must be entered by the LSC prior to the entry deadline. Swimmer's age as of August 8, 2012, determines their age group for the entire meet.</p> <p>Each LSC may enter all swimmers who have achieved the time standard. If an LSC does not have two (2) swimmers who have achieved the time standard in an individual event, the LSC may enter no more than two (2) swimmers in that event. These swimmers shall be entered with their actual time.</p> <p>All entry times must be the swimmer's actual time achieved in LC meter only. Converted time will not be accepted. Times must have been achieved between August 4, 2011 and August 1, 2012.</p> <p>Each swimmer may enter a total of six (6) events in the meet, exclusive of relays, and may not exceed three (3) individual events per day.</p> <p>Relays must be made up of swimmers competing in the meet in individual events. 'Relay only' swimmers are NOT allowed.</p>
<b>ATHLETE AND SPECTATOR SEATING</b>	There are multiple bleachers around the pool deck for athlete seating. Spectator seating is in the mezzanine area which seats 700. Tents will be available around the outdoor pool.
<b>MAXIMUM QUALIFYING TIMES</b>	Please see the table on page 13 for the maximum qualifying times for each Zone event, as well as more information on these times.
<b>ENTRY LIMITATIONS</b>	<p>All entry times must be LC Meters. NT entries will not be accepted for individual events.</p> <p>Each swimmer may enter a total of six (6) events in the meet, exclusive of relays, and may not exceed three (3) individual events per day.</p> <p>Relays must be made up of swimmers competing in the meet in individual events. 'Relay only' swimmers are NOT allowed.</p> <p>Individual swimmers MUST enter through their LSC.</p>
<b>ADAPTED SWIMMERS / SWIMMERS WITH</b>	Each LSC may bring two (2) swimmers with disabilities age 12 & under, and two (2) swimmers age 13- 18 to the meet. These adapted swimmers are in addition to the swimmers who have qualifying times for the meet events. Each LSC may select the adapted swimmers at their own discretion. With the

**DISABILITIES**

recommendation of the LSC Team Coach or Manager, the meet staff will determine where the swimmer best fits into the meet (seeded with their peers, seeded with their peers but in shorter distances, seeded with younger swimmers, etc.) and will place them accordingly. All adapted swimmers competing in the meet will receive participation medals.

- Swimmers with disabilities may compete without having achieved the qualifying standard for their age group. However, they must provide a time for each event they enter. Swimmers with disabilities shall be entered on the form included on the next page. You can e-mail this information but, ALL of the information on the entry form must be included in the e-mail. Classification of swimmer with a disability is irrelevant.
- Each LSC may select two (2) swimmers with disabilities age 12&U and two (2) swimmers age 13-18 in any manner deemed appropriate.
- Swimmers with disabilities may compete in Finals, earn awards and score points for their team in the same manner as the able-bodied swimmers.
- It is the responsibility of the swimmer, or his / her coach, to inform the Meet Referee of any disability-related accommodations he /she may need in order to compete. In addition, this information must be given in advance of the meet on the entry form. The Meet Referee shall determine any modifications that may be required. This information shall be relayed to the starter and stroke and turn judges. Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
- Aside from the norm, the meet staff has the ability to seed the swimmer with a disability in a number of ways. These options include: seed the swimmer with others of the appropriate gender, allowing the swimmer to compete half the distance of their age group (swim the 100 meter. backstroke during the 200 meter. backstroke race), or swim with a younger age group where their entry time is similar to the able-bodied swimmers for the same distance (a 15 year old swimmer with a disability could swim the 100 meter freestyle with the 10 & U age group). The final meet result should show the swimmer with a disability listed in the correct age and event, regardless of where he / she actually competed. The Meet Referee may reassign the lane of a deaf swimmer if a required view of the strobe light is obscured, and the light can not be repositioned.
- It is the responsibility of the USA Swimming Adapted Chair to provide the Meet Referee with current American Records for swimmers with disabilities. It is the swimmer’s responsibility to complete and submit an application for an American Record, should one be set.

**ENTRY FEES**
