Monday 1500	2 timers/lane needed from clubs with swimmers, 1 lap counter needed per lane							
Monday Finals	2 timers/lane needed from clubs with swimmers							

Two timers per lane (2 buttons, 1 watch)

Please help us with this important function. Many clubs are not listed above as they have few swimmers in the meet. This does not mean, however, that help is not wanted from clubs that are not listed above. A perfect opportunity to volunteer is when a call is being made for relief timers. Clubs should also strive to provide timers in proportion to the number of swimmers that they have in the distance sessions and in finals.

Thank you!
