

2008 Virginia Swimming LC Senior Championships Meet

Facility Rules: TAC does allow food and drink on deck; however, please remind your swimmers to maintain a clean environment and pick up all trash when leaving from each session. COACHES – the facility director has specifically asked that everyone remove all items from the deck between all sessions (deck chairs, bags, etc) so that they can clean the decks efficiently and effectively. This means everyone needs to take their coaches' chairs with them after EVERY SESSION (morning and evening).
